I hate dealing with whack a doodle pro-se people . . .

Do we bother to advise her 175/112C doesn't apply to us, only if she requests the information from the insurance company directly and that she is not a party as of now and has no right to this information from us?

Recall: Confirmation of Re-Service of Motion to Intervene via U.S. Mail and Reminder of Outstanding Insurance Disclosures Re: Marina Bay Residences, LLC v. Cube 3 Studio, LLC, et al.

Mark Bodner would like to recall the message, "Confirmation of Re-Service of Motion to Intervene via U.S. Mail and Reminder of Outstanding Insurance Disclosures Re: Marina Bay Residences, LLC v. Cube 3 Studio, LLC, et al."

Before joining Melick & Porter, Mark was most recently an Assistant Vice President and Senior Trial Attorney for

the Zurich Insurance Company for twelve years, where he handled employment law, professional liability, product

liability, and various tort defense matters. Mark has lectured on insurance defense related issues for clients, claims

professionals, and industry groups, including Zurich Insurance Company, Universal Underwriters Group, Modern

Continental, and AGC of Massachusetts.
