Apologies All,

getting unburied from an out of the norm busy hearing week.

I've been told their might be changes to the company. The entity VFC continues to be the client here. Could you all let me know which principal I should be taking direction from going forward?

In the meantime, both Dany and Ahmed inquired re: the CV license renewal – that needs to be completed by today, so as I mentioned to Ahmed on the phone, please simply follow the prompts and renew the license as is. Any changes that subsequently need to be made we can handle via application filing later.

The ZBA hearing is confirmed for Nov 7th at 5pm. Can we schedule some time Monday or Tuesday to review?

Subject: Introduction to Alexander and Update on Company Structure Changes (VFCeats)

Hi Kristen and Adam,

Hope this email finds you well!

I'd like to introduce Alexander, our company's general counsel, who will be overseeing the changes to our company structure. Alexander is authorized to speak on our behalf to discuss the next steps in amending the CV application and removing Dany from the manager role.

We've already submitted updates to the Secretary of State, and we'll send you the revised certificate of organization tomorrow once the new information is available.

Thanks for your attention to this matter—we're looking forward to progressing with the licensing process.

@Alexander, please take it from here.

Best regards,
Ahmed Kassem

Re: Take out license

Hi Dany,

I hope this message finds you well.

I'm not sure what 20% ownership you're referring to, as, to my understanding, you were an independent contractor for VFCeats. Unfortunately, the relationship was terminated due to a pattern of actions that caused more harm than benefit and a failure to meet your responsibilities.

Please keep an eye on your email, as our legal representative, Alexander W. Levine from River Street Law, will be sending you a formal demand letter shortly. This will provide further clarification and address any outstanding matters.

Best regards,
Ahmed Kasem
